CLICK-N-LOCK® TILES

Click-N-Lock® Tiles are a revolution in flooring, thanks to the innovative Wel-Lock™ Technology. The internationally acclaimed cutting edge technology enables the tiles to be laid with minimal effort and expertise. With a wide range of designs, these tiles are quite a showstopper and are sure to elevate any space to give you a complete Floor Makeover In A Day*.

Wel-Lock™

Technology

Our Click-N-Lock® Tiles come with Wel-Lock™ technology, a unique locking mechanism that obviates the need for glue or cement.

This cutting edge technology creates a hassle-free experience as it makes the installation process quick and effortless.

It also ensures that you get a grout-free, beautiful and seamless look on the floor.

It's not just a lock, it's Wel-Lock™!

Wel-Lock™ Technology - Manufactured under licensing from Välinge.

Structure

Click-N-Lock® Tiles combines the strength of stone with a multi layer design and a unique construction that offers durability and strength and also resists wear and tear to retain a luxurious look for years. OUR PRODUCTS ARE COMPLIANT WITH GLOBAL STANDARDS

TRADEMARKS & TECHNOLOGIES

FloorNdure™

With FloorNdure™, our hard flooring really go the distance when it comes to strength and durability. And why not? After all, flooring is where the foundation of a home is.

Wel-Lock™

Wel-Lock™ technology allows the tiles to fit into one another in a unique locking mechanism. This ensures strong locking at the joints and makes installation a quick and effortless process. It also ensures that you get that beautifully seamless look on the floor.

ScrapeGuard™

ScrapeGuard™ technology uses a layer with special coating, that offers protection to the design underneath from scuffs and scratches meanwhile retaining the look and longevity of the tile. So, you can say goodbye to the everyday scratches and scrapes.

StainProtect™

StainProtect™ layer is specially designed to offer superior stain resistance, to keep your floor always clean and sparkling. Now, go and make that splash!

GermiShield™

Welspun Flooring's Click-N-Lock Tiles® come with the innovative GermiShield™ technology, which restricts the growth of harmful germs or molds on the floor. Healthy homes begin with healthy floors.

Cushion Back

Welspun cushion backing provides improved comfort and cushion impact under the foot and makes walking relatively comfortable for heels and hard leather shoes. Also, cushion backing helps reduce tapping sound.
